THE *NATURAL* CHOICE FOR A BEAUTIFUL VANITY TOP.

With the Wolf Vanity Tops Carstin Collection, you can personalize your bath with the beauty of cultured marble. Cultured marble is a man-made, cast marble product that realistically mirrors the rich colors, veining and depth of detail of natural stone, but at a fraction of the cost. By integrating the latest technology in blending polymer resins with natural minerals, the cultured marble in the Carstin Collection is both beautiful and durable while offering exceptional design flexibility and customization. You can select from many colors and styles or create a custom top in a color and size that meet your specifications. Pair your choice of vanity tops with an integral bowl for a luxurious bath that's uniquely—and naturally—yours.

Add the advantages of a cultured marble vanity top to your bath:

- **Carefree and durable** — non-porous surface resists stains and mildew and never needs sealing
- **Design flexibility and customization** — cast-in-mold fabrication allows custom, one-piece shapes
- **Wolf Home Products 5-year limited warranty** — our craftsmanship and quality fabrication process offer you peace of mind
