

WOOD SMOKE

THERMALLY MODIFIED WOOD COLLECTION

Rustic Siding

Create years of curb appeal with Thermally Modified Wood Collection. The thermal modification process stabilizes the wood, making it less vulnerable to shrinking and seasonal shifts. Tongue and groove siding boards come end-matched and natural or prefinished in a variety of colors. Perfect for exterior and interior use.

FEATURES

- 20-year limited warranty (rot/decay)
- All-natural heat wood preservation process
- End-matched profile for faster install and less waste
- Interlocking pattern requires fewer exposed fasteners
- 1x6 and 1x8 widths in 12-ft. lengths
- Resistant to rot
