

LUXURA WALL COLLECTION

Whether you're remodeling your bathroom with a new look or refreshing your existing bathroom, the Samuel Mueller® LUXURA series offers the flexibility to meet your design needs without incurring the cost of specialist installation teams. No special cleaning is required, most dirt and light residue will be easily wiped off with a damp cloth and soapy water.

Unique Pre-grouted Deco Strip Pattern Creates A Custom Look

Horizontal deco strip kits are 5" high coming in (1) 60" long and (2) 36" long pieces. The (5) patterns of deco strips are the same thickness as the panels in order to be nearly flush with the wall panels. Deco strips have a thin aluminum backer with the marble or stone pre-attached to the backer. The Deco strips are pre-grouted for simple installation.
