# LAMINANATE COUNTERTOP PRICE OPTIONS

SLAB TOPS: tops sold as is, no build-up or extra work done to countertops. Straight cuts and miter cuts available for an upcharge. Endcaps are sold separate and are not applied.

POST FORM TOPS: slab tops are cut to spec and fabricated within our shop from slab pieces that are ordered. Standard build up and endcaps are included. Stock color options are available for faster lead times. Stock colors are offered in standard kitchen depth w/ a backplash, 27" bar, and 36" bar. (1885-07 Marmo Bianco only option without an attached backsplash)

CUSTOM SQUARE EDGE: tops built completely from scratch with fully customizable capabilities. CAD drawings are made for every custom order received to assure the correct dimensions. If needed seam locations will be marked and have the capabilities of being repositioned. **NO RETURNED SIGN OFF CAN DELAY TOPS** delivering by their designated ship by dates.

CUSTOM APPLIED EDGE: tops built completely from scratch with fully customizable capabilities. Wilsonart and Formica both offer their own line of applied edges available specifically for colors affiliated with each company (Wilsonart edges are not made for Formica colors as well as Formica's edges not working with Wilsonart colors). CAD drawings are made for every custom order received to assure the correct dimensions. If needed seam locations will be marked on returned drawing and have the capabilities of being repositioned. **NO RETURNED SIGN OFF CAN DELAY TOPS** delivering by their designated ship by dates. Custom Applied Edge orders can take up to 4-5 weeks to ship.

POST FORM SQUARE EDGE: post form square edge tops are available for purchase as well. Please specify on your order if you would like a post form square edge top. Tops are priced the same as any other post form countertop within the square edge category. **TOPS NEED TO BE SPECIFIED FOR POST FORM OR CAN POTENTIALLY BE PRICED/MADE AS A CUSTOM SQUARE EDGE TOP.**
