

Wetwall Water-Proof Wall Panel System

Cleaning and Maintenance

Care and maintenance of your Wetwall Water-Proof Wall Panel System is easy. Warm soapy water and a sponge will be adequate for regular maintenance. Common non-abrasive household cleaners can be used with a soft sponge or cloth. With all cleaners, rinse immediately. Wetwall has no grout lines to clean, and is non-porous, so sealing is never required.

Recommended Cleaners

Warm Soapy Water
Lime-A-Way® Cleaner
Mr. Clean® MagicEraser
Tilex® Bathroom Cleaner
Fabuloso® All-Purpose Cleaner
Fantastik® All-Purpose Cleaner
Windex® Multi-Surface Cleaner
Formula 409® Multi-Surface Cleaner
Simple Green® All-Purpose Cleaner

Pine-Sol® Multi-Surface Cleaner
Green Works® All-Purpose Cleaner
Spic and Span® Liquid Multi-Surface & Floor Cleaner

*Diluted Bleach Solution

*1/4 cup of bleach to 1 gal of water is recommended. Rinse immediately as prolonged exposure of bleach on the surface will cause discoloration.

DO NOT USE

Abrasive or Gritty Cleaners
Comet® Bleach Powder or Soft Cleanser
Scotch-Brite™ Pads
Strong Solvents (Thinners, MEK)

Avoid these cleaners, which may damage or dull the surface of Wetwall.
Use of these agents will also void the Wetwall warranty.
