

MONTEREY COLLECTION

MONTEREY WALL PANELS, made from solid surface material that has color all the way through the entire thickness of the material for a renewable surface in easy care 4" x 8" subway tile pattern or smooth matte velvet finish panels.

MONTEREY subway tile pattern has the realistic look of tile without the maintenance of grout.

Monterey solid surface shower and tub walls with attractive, realistic, easy care subway tile pattern or matte velvet finish add beautiful, low-maintenance options for your bath or shower.

Ideal for remodeling. Walls are easier to install than tile. Walls glue right over old tile or wallboard. Easy to clean also. Scratch & impact resistant. Beautiful classic and marble colors. 10 Year warranty

Wall panels are trimmable and easy to install. MONTEREY walls are durable, resistant to stain and virtually maintenance free. And, the super dense surface won't support bacteria growth.

Wall heights available 60", 72" and 96".
Wall widths available 36", 48" and 60".
Wall kits include 3 wall panels and inside corner trim pieces.

PANELS are designed to be as good as NATURE
Random Panel Designs for a Natural Look.

As in any natural stone configuration, no two slabs are precisely the same. Nature requires slight deviations even in the most mundane patterns. However, the natural movement in these patterns lets one's eyes discern that this is a natural material.

Unique Pre-grouted Deco Strip Pattern Creates A Custom Look

Horizontal deco strip kits are 5" high coming in (1) 60" long and (2) 36" long pieces. The (5) patterns of deco strips are the same thickness as the panels in order to be nearly flush with the wall panels. Deco strips have a thin aluminum backer with the marble or stone pre-attached to the backer. The Deco strips are pre-grouted for simple installation.
